

**MARK YOUR CALENDARS...**

the 17<sup>th</sup> Annual Wings & Wheels Pancake Fly-In will be held  
**Saturday, July 30<sup>th</sup> from 7:30am - 11:30am.**

You will definitely want to be a part of this amazing day! Last year over 1,000 people enjoyed a delicious pancake breakfast, with thousands more admiring over 100 antique cars, trucks, and airplanes, plus participating in numerous, valuable auction items. *"Great food, no lines, what a super community event, can't wait to put it on my calendar for next year"* were just some of the compliments received. All proceeds will again benefit New Generations Early Childhood Development Center.

This extravaganza would not be possible without the support of so many hardworking volunteers; especially the Sunriver Resort. The folks at the Resort are fantastic to work with and their generosity is over whelming; they supplied all the breakfast food, the tables, chairs, grills, and helpful staff to ensure everything went smoothly. New Generations is proud partner with the Sunriver Resort as we strive to offer the best educational support for the children we serve.

If you would like to volunteer, please contact Sandi Mootry 541-617-9374 or Patty Smith 541-593-1756.

See **YOU** at the Sunriver Airport !!!
